2018 SPRINGFIELD UPDATE

**A DISCUSSION WITH ILLINOIS STATE SENATOR JULIE MORISON
AND STATE REPRESENTATIVE JONATHAN CARROLL**

Tuesday, January 9 at 10 am

YMCA Lobby – FREE and open to the public

Come and get a Springfield Update from our local Illinois Senator and Representative. Meet Illinois' 29th District Senator Julie Morrison and new 57th District Representative Jonathan Carroll and discuss what will be happening in Springfield in 2018.

Bills for Consideration

Join a discussion of some of the top issues in Springfield that will be addressed in the upcoming session.

What's Foremost in their Minds

Senator Morrison, chair of the Illinois Senate Human Services Committee, will discuss social services for seniors and the disabled, and child protection services.

Representative Carroll is very concerned about seniors' ability to live on a fixed income as the costs of prescription drugs, housing and food continue to skyrocket. He will be continuing his fight in Springfield in 2018 to provide seniors relief - and wants to know what suggestions seniors have.
